

**Susan G. Komen
Research Grants – Fiscal Year 2014**

This research grant was approved by Komen’s national board of directors for FY2014 Research Programs funding. This grant will be funded upon the execution of grant agreements between Komen and the grantee institutions.

2014 Accelerating Anticancer Agent Development and Validation Workshop

Investigator(s): H. Kim Lyerly, M.D.

Lead Organization: Duke University

Grant Mechanism: SPP

Grant ID: SPP140005

Public Abstract:

The 2014 Accelerating Anticancer Agent Development and Validation workshop is designed for scientists and consumer advocates with clinical trial experience who have an interest in new approaches to developing or enhancing agents or combinations of agents for the diagnosis, treatment or prevention of cancer. Individuals with limited experience in the regulatory aspects of oncology drug development will benefit from this workshop.
